Saipan, MP 96950

Dear Mr. Buckingham:

The Department of Public Safety, Rota wishes you and your family a Merry Christmas and happy safe New Year.

Ed. this is Rota Detention Facility's quarterly report. The status of RDF remains, as is on all areas of concern except a few improvements such as our Air-condition at RDF has been replaced, we've mitigated our water leaks, and the shell of our emergency generator was retrofitted during the month of October, '05. Our electrical system still needs upgrade.

We detained 11 people this reporting period. They were all detained less than 24 hours for investigation purpose.

I continually request your understanding and full support to bring about all needed actions to secure budget for RDF to realize higher quality of life, and be out of the Consent Decree Status.

I thank you for all your efforts in helping us to comply with all requirements.

  
Ricardo S. Taimanao
